

# Motor Vehicle Accidents: How Are Medical and Wage Loss Benefits Paid by the Fund?

You should contact your motor vehicle insurance carrier to evaluate the extent to which you are covered for wage loss benefits as a result of a motor vehicle accident.

he Fund Office receives many questions regarding coverage provided by the Fund when the claim is the result of an injury due to a motor vehicle accident. In accordance with Plan provisions, the Fund will **only** cover medical expenses on a

subrogated basis once the maximum liability has been paid by the motor vehicle insurance carrier. In other words, the Fund will consider the payment of medical expenses only after benefits from the automobile insurance carrier have been exhausted.

In addition, the Fund will **not** provide coverage for short-term disability benefits (except for the first 5 days of missed work) for injuries sustained in a motor vehicle accident. The only time the Fund

will pay more than 5 days of short-term disability benefits is when written proof is submitted verifying that the state in which you reside does not allow you to purchase wage loss protection from your motor vehicle insurance carrier. The state of Pennsylvania allows residents to purchase wage loss protection. It is recommended that you contact your motor vehicle insurance carrier to evaluate the extent to which you are covered for wage loss benefits as a result of a motor vehicle accident. Check with your motor vehicle insurance carrier to ensure that your policy carries at least the minimum coverage required by the state in which you reside.

Do not wait until you have an accident to find out you have no wage loss coverage under your policy. Payment for the first 5 days of short-term disability benefits does not apply to motorcycle accidents. There are no short-term disability benefits payable for injuries sustained as a result of a motorcycle accident.

## Improve Your Health in 2008: Take the Health Risk Assessment!

s 2008 the year you want to start living healthier? Do you need help getting started making changes in your diet, exercise and lifestyle habits?

If you have access to the internet and 20 minutes to spare, you can get help by taking the Central PA Teamsters Health Risk Assessment (HRA).

The HRA questionnaire is free and confidential. Simply log on to www.CentralPATeamsters.com, select Wellness Links, click on "Take the Health Risk Assessment" and follow the instructions to register. You will be asked to register a user name and password. After your user name is registered, you can begin the questionnaire.

The Health Risk Assessment questionnaire asks questions about your current diet, exercise and lifestyle habits. After you complete the confidential HRA (usually in 15-20 minutes), you are provided

with a free personalized report which you can use to develop goals for improving your health. You can also share this report with your doctor and your family. Take a follow-up HRA questionnaire in six months to check your progress.

As an additional reward, the Central PA Teamsters Health and Welfare Fund will automatically enroll each HRA participant in a raffle to win one of eight

\$50 VISA cards, compliments of HealthAssurance.

So, what are you waiting for? Take 15-20 minutes to become a healthier you! Take the HRA today!

# Winners Announced in the 2007 HRA Drawing

drawing was held in mid-January at the Fund Office to pick the winners of the 2007 HRA raffle. Any participant in the Central PA Teamsters Health & Welfare Fund over the age of 18 who completed the HRA on-line questionnaire during 2007 was eligible.

The winners are:

Karen Dietz
Kittie Hake
Norman Baugh Jr.
Colleen Finn
Ronald Owens
Francis Allar
Richard Quenzer

One winner asked that their name not be published.

The eight winners completed the Health Risk Assessment during 2007 and were automatically entered in a drawing to win one of eight \$50 VISA gift cards, compliments of HealthAssurance. Congratulations to the winners and thanks to all who participated.

If you completed the HRA during 2007, be sure to take the HRA again in 2008 to compare your results with last year.

Don't miss your chance this year to be entered in the 2008 drawing! Simply complete the Health Risk Assessment by December 31, 2008 and you are automatically entered. The drawing will be held in early 2009.

# Retirees: Direct Deposit Makes Sense!

ould you like to be sure that your pension check is available to you on the first business day of each month? You can be certain if you use direct deposit! Eliminate the worries of delayed mail delivery, postponed trips to the bank because of bad weather or other commitments, lost or stolen checks, standing in long lines at the bank, or waiting for your check to clear at the bank.

It's easy to sign up! Just call the Pension Department or visit the Pension Section of the Central PA Teamsters website www.CentralPATeamsters.com (click on "Forms") to get the form. Fill it out and return it to the Fund Office. It takes about 30 days to complete the process. Then relax and enjoy the comfort of knowing that your pension check is available to you each month without delay.

Important: If you are currently using direct deposit and your bank name and/or account number changes, please notify the Pension Department immediately and request a new direct deposit form to complete (even if your bank informs you that no notification is needed.) If you change banks and need to complete a new form, simply call the Pension Department or visit www.CentralPATeamsters.com (click on "Pension"—"Forms") to get a new form. Please note that direct deposit changes usually take 30 days to become effective after you notify the Pension Department. After you request a change, your first check may be mailed to your home. Thereafter, your check will be directly deposited to your bank account.

# **Are You Recently Divorced?**

Please remember to forward copies of your divorce decree to both the Health & Welfare and Pension Departments.

The Fund does not consider your ex-spouse to be an eligible dependent under the Health & Welfare Plan after the effective date of your divorce. Please note that members are required to reimburse the Fund for any claims paid on behalf of an ex-spouse after a divorce becomes final.

Don't forget to make any necessary changes to your beneficiary forms following your divorce. It is not necessary to change your beneficiary for Health & Welfare death benefits after a divorce unless you wish to. However, you do need to complete a new beneficiary form for your Pension Benefits after your divorce is finalized.

Downloadable beneficiary forms are available on www.CentralPATeamsters.com (click on "Pension" or "Health & Welfare") or you can call the Pension or Health & Welfare Departments. There are separate beneficiary forms for Pension benefits and for death benefits under the Health & Welfare Plan.

Please contact the Pension or Health & Welfare Department if you have any questions.

# **Living Well**

#### The Mouth-Body Connection

n July of 1998, the American Academy of Periodontology launched

an effort to educate the public about new findings which support what dental professionals had long suspected: Infections in the mouth can play havoc elsewhere in the body. Since July of 1998, evidence has continued to mount to support these links. While more research needs to be done to say definitively that people with periodontal disease are at higher risk for developing heart disease, stroke, uncontrolled diabetes, pre-term births and respiratory disease, periodontists do know that periodontal disease is a bacterial infection, and all infections are cause for concern.

Periodontal bacteria can enter the blood stream and travel to major organs and begin new infections. Research is suggesting that this may:

- Contribute to the development of heart disease, the nation's leading cause of death.
- Increase the risk of stroke.
- Increase a woman's risk of having a preterm, low birth weight baby.
- Pose a serious threat to people whose health is compromised by diabetes, respiratory diseases, or osteoporosis.

#### Don't Ignore Your Oral Health

f you value your oral as well as your **⊥** overall health, a periodontal evaluation is a good idea. If you have regular checkups, your dentist will be evaluating the condition of your gums. However, you should your dentist alert about any concerns, especially if you:

- Notice any symptoms of periodontal disease.
- Have heart disease, diabetes, respiratory disease or osteoporosis.
- Are thinking of becoming pregnant.

- Have a family member with periodontal disease. Research suggests that the bacteria that cause periodontal disease can pass through saliva. This means the common contact of saliva in families puts children and couples at risk for contracting the periodontal disease of another family member.
- Have a sore or irritation in your mouth that does not get better within two weeks.

### **Vision Care Benefit Improvement**

ffective January 1, 2008, the Central PA Teamsters Health & Welfare Fund will cover the Standard ARC (anti-reflective coating) at no additional charge when an in-network Davis Vision provider is used.

Visit the Central PA Teamsters Health & Welfare Fund's website, www.CentralPATeamsters.com/Health & Welfare Fund/active vision benefits for a description of benefit coverage under the Plan.

# New Web Site Login Process for Davis Vision Members

avis Vision implemented a new member authentication process for all Web site users, effective during the third week of February, 2008. This new process provides enhanced security and protection of member information. It also creates a platform to offer members access to enhanced Web site features in the future. Davis Vision expects that members will find the new login process to be easier and faster.

During a one-time registration process, each Davis Vision Web site user will be required to enter a user name (consisting of a valid e-mail address) and create a unique password. For subsequent access to the Web site, each member will enter the new user name and password. This approach eliminates the member's need to type in an ID number each time he or she desires access to the Web site after initial registration.

When a member enters the Davis Vision Web site and clicks on "Member Login," a new Member Login page will appear.

To register, the member clicks on the "Register" button to bring up the Member Registration screen below. The member will be able to create his or her own password hint and choose a security question during the registration process. Members may also request automatic password resets, which will be sent to the user's e-mail address (the user name) on file.

Members will continue to be able to use any Davis Vision Client Control Codes and existing links to generic group information on the Davis Vision Web site without having to use the new login process.

# Walgreens No Longer a Participating Pharmacy under the Prescription Plan

Effective January 1, 2008, Walgreens is no longer a participating pharmacy under the Central Pennsylvania Teamsters prescription plan through General Prescription Programs (GPP).

The measure was taken due to an increase in Walgreen's dispensing fee. GPP and the Fund Office are committed to containing prescription costs, as

well as all health care costs, in an effort to keep premiums low.

We regret any inconvenience that this action may cause. Please contact GPP at the phone number listed on your GPP ID card (1-800-314-2234) if you need assistance in locating a participating pharmacy.

## 2007 1099-R Forms Mailed in January

The Fund Office mailed retiree 1099-R statements in January. Please contact the Pension Department if you did not receive your statement.

Retirees receive three copies of the 1099-R. Please be sure to keep your statements in a safe

place in the event you require additional copies for rent rebates or other situations. The Pension Department gets many requests for duplicate 1099-R statements. It costs the Fund time and money to process these requests. Thank you.

# ····Retirement 101···

In the November 2007 edition of The Guardian, an article appeared entitled "Are You Planning to Retire?" which describes the process for applying for retirement. The Fund intends to continue discussion of retirement planning with a series of articles under the heading of "Retirement 101."

For more information about the Central Pennsylvania Teamsters Defined Benefit or Central PA Teamsters Retirement Income Plan, please refer to your Summary Plan Description (SPD) or contact the Pension Department.

## What is the Most Expensive Purchase You Will Ever Make?

- A. Home
- **B.** College Education
- C. Car
- **D.** Retirement

If your answer was "A"-Home, ask yourself this question: Did your house cost 15 or 20 times your current pay?

You are correct if your answer is "D"-Retirement. Skeptical?

Experts report that workers retiring at age 65 typically need between 75-100% of their preretirement annual income during retirement, depending upon factors such as longevity, health care costs and investments.\*

If you expect to live 20 years in retirement, you will need 16 times your annual pre-retirement pay to finance a goal of living on 80% of your pay at retirement (20 times annual pay if your goal is 100%).

#### Example

Here is a simple example. John, a participant in the Central Pennsylvania Teamsters Pension Fund, currently earns \$50,000 per year. He is 35 years old and plans to retire in 30 years at age 65. John estimates that his pre-retirement annual income will be \$100,000. John's employer contributes \$800 each month to the Fund's Defined Benefit Pension Plan.

If he "fast forwards" to his retirement date, John expects he will need an annual income equal to 80% of his pre-retirement income, or \$80,000, at retirement for 20 years:

A. John's estimated income needs over 20 years ......\$1,600,000 (Benefits payable beginning in the year 2038)

Sounds like a lot, doesn't it?

John receives a communication from the Social

Security Administration each year which estimates he will receive a lifetime monthly benefit of \$2,100 each month beginning at age 65. Because John's full Social Security retirement benefits are not payable to him until age 67, John's monthly benefit payable at age 65 has been reduced.

# B. John's estimated total Social Security benefit payments over 20 years......\$504,000

John also participates in the Central Pennsylvania Teamsters Defined Benefit Plan. Each year, the Fund Office provides John with a Pension Benefits Statement. Based on the contributions that John's employer makes on his behalf over the years, the Fund estimates that John will receive a monthly Single Life Annuity payment of \$3,600 per month beginning at age 65, payable over his lifetime.

C. John's estimated Defined Benefit Plan payments over 20 years	\$864,000
D. John's estimated total retirement payments over 20 years (B+C)	\$1,368,000
E. Additional assets John expects he will need over his projected 20 years of retirement (A-D)	\$232,000

The additional assets may come from a defined contribution plan like the Central PA Teamsters Retirement Income Plan (RIP), an IRA, or other personal savings.

This example does not take into consideration price inflation which may occur over John's 20 years of retirement. Additional savings may be needed to protect against inflation.

## A Defined Benefit Plan Assumes Investment Risk

A major advantage of a Defined Benefit Plan, such as the Central Pennsylvania Teamsters Defined Benefit Plan, over a Defined Contribution Plan, such as a 401(k) plan, is that the Defined Benefit pension plan assumes the investment risk. A participant covered under a 401(k) plan is responsible for making investment decisions. This is an important difference, particularly in an unstable investment climate, because it is the 401(k) participant's responsibility to make their account balance last over their lifetime.

Participants under a Defined Benefit Plan receive a predictable monthly benefit *over their entire lifetime* after they retire, regardless of how long they live or how well the stock market is performing.

#### Prepare Now for the Future

Because retirement is the most expensive purchase you will ever make, early planning is critical. The example above is for illustration purposes only. Individual situations will vary. Consult a reputable financial advisor for help in developing your personal plan.

## **Walk-In Medical Facilities**

The following is a partial list of in-network walk-in medical facilities operating in Central and Northern Pennsylvania. The centers have indicated that they charge for an office visit co-pay.

These facilities treat non-life or limb threatening, medical illnesses or injuries. They are an alternative to visiting a hospital emergency room when your family doctor is not available.

When a serious condition exists such as chest

pain, shortness of breath, abdominal pain, persistent vomiting or multiple injuries from a bad accident, patients should seek care at a hospital emergency department.

The Fund Office provides this list as a convenience to our members. We recommend that you call the facility before visiting to confirm their hours, location, co-pay amounts and types of treatments available.

### December 31, 2007 Retirement Income Plan (RIP) Returns

The following are approximate net returns for the Central PA Teamsters RIP 1987 and RIP 2000 retirement plans for the 12 month period ending December 31, 2007. The net returns equal gross investment returns less investment and administrative expenses plus the reallocation of forfeited account balances from terminated non-vested participants who incurred a 5-year break in service.

<u>Plan</u>	<b>Approximate Net Return</b>
RIP 1987	8.4%
RIP 2000	7.0%
