The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.centralpateamsters.com or call 1-800-422-8330. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-422-8330 (PA) or 1-800-331-0420 (USA) to request a copy.

| What is not included in the out-of-pocket limit? | Copayments, premiums, balancebilling charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |

You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the providers charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services such as lab work. Check with you provider before you get services. |
| Do you need a referral to see a specialist? | No. | You do not need a referral to see a specialist. You can see the specialist you choose without permission from this plan. |

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
