Happy New Year from the  
Central Pennsylvania Teamsters  
Health & Welfare and Pension Funds!*

## Important things for 2026

**I**n early 2026, the Board of Trustees will implement a Pension Verification Process. Participants who are currently receiving payments from the Central Pennsylvania Teamsters Pension Fund and are age 75 and older will receive verification letters from a company called ABL Tech who is assisting the Pension Fund.

It is imperative that you or your Power of Attorney review this letter carefully and respond accurately and promptly.

If the Fund does not receive a response after three (3) mailed notices, your pension benefits may be temporarily suspended until a completed verification form is received.

If you have any questions or need to update your mailing address, please contact the Pension Fund Office.

Please remember to keep your address with the Pension Fund updated if you have moved or if you have a temporary address at different times throughout the year. With a new year right around the corner, Form 1099-Rs will be mailed out in January 2026, and the Internal Revenue Service recommends that taxpayers notify their employers, the IRS and the USPS if their addresses have changed so there are no delays in receiving your tax documents. Copies will also be available on the Pension Calculator.

# How to Have a Healthier Holiday in 1-2-3!

## Stay active

Even a few minutes of moderate-intensity physical activity can deliver some health benefits and count toward reaching the recommendations. For adults, the many benefits of physical activity include reduced short-term feelings of anxiety and better sleep.

Some tips for staying active during the holidays include:

- ◆ When shopping, walk a few laps around the shopping center before going into stores.
- ◆ Take the stairs at every opportunity. If you can't climb all the stairs, take the stairs part way, then the elevator.
- ◆ Rather than hunting for the closest parking spot, park farther away and walk briskly to your destination.
- ◆ When friends and family gather, go for a group walk. You can make the walk more fun by turning it into a scavenger hunt.
- ◆ Play an active group game in your yard or local park.
- ◆ Bundle up and take a walk instead of a drive to see holiday lights.

## Eat healthy

Eating well supports muscles and bones, boosts immunity, helps the digestive system, and aids in weight management, among other health benefits for children and adults. Good nutrition involves eating a variety of healthy foods. To do that during the holidays:

- ◆ If you eat foods that are high in calories, saturated fat, or added sugars, choose small portions and only eat them once in a while. Opt for healthier foods most of the time.
- ◆ At parties and other gatherings, fill your plate with your favorite fruits and vegetables first, then add small portions of less healthy items.
- ◆ If you are taking food to a party, make it your favorite healthy dish. Then you'll be sure that at least one item at the party will be a healthy choice that you enjoy.
- ◆ Make healthier versions of your traditional recipes by using ingredients with less fat and salt.
- ◆ Spice up baked fish or chicken by adding salsa or black bean sauce.
- ◆ Consider beans in place of higher-fat meats.

## Plan activities that don't involve eating

Here are some ideas for shifting the focus away from food during the holiday season:

- ◆ Volunteer in your community.
- ◆ Try a seasonal activity such as ice skating or winter hiking.
- ◆ Go on a walk and explore a new area with a friend or family member.
- ◆ Visit that museum or exhibit you've been wanting to see..

Consider what new healthy traditions you can start this year. The possibilities are endless!

Insurance Coverage for certain prescribed medications often require a diagnosis code to verify medical necessity and to ensure the prescribed medication is appropriate for the condition being treated. Without the diagnosis code, the medication prescribed may result in being delayed or denied. The diagnosis aids the pharmacist and the Fund's Pharmacy Benefit Manager cross-reference the medication with your condition to ensure it is appropriate and identify any drug interactions or dosage errors. In the event of a question about your prescription, having the diagnosis readily available facilitates smooth communication between the pharmacy and your healthcare provider's office, resolving issues more quickly.

### What Can you Do:

Always confirm with your doctor that the prescription includes the necessary diagnosis information before they send it to the pharmacy.

\*Effective January 1, 2016, any drug that costs \$3,000 or more per month will be classified as a "Specialty or High-Cost Drug."

\*NOTE: These copayments are applicable to 15-day scripts for drugs classified as "Class II" Pain Medications by the FDA. Also, effective January 1, 2016, the copayments for all Zohydro prescriptions will be \$150 per script.

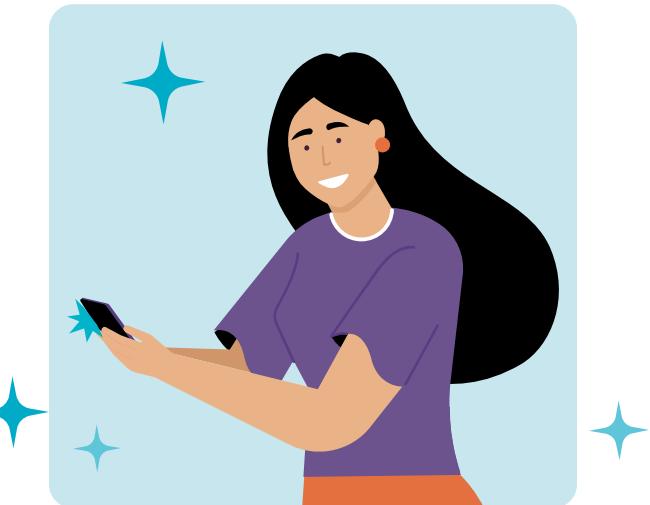

\*NOTE: CVS and Walgreens are not participating pharmacies.

# Know Your Health & Welfare Plan

The Health and Welfare Fund frequently receives questions on the topics below. Additional information on these topics is available in your Active Plan Document or by visiting the Fund website.

- 1. Dental Implants** – All requests for dental implants must be submitted for pre-determination for review including xrays and narrative. Failure to do so could mean higher out of pocket expenses.
- 2. Health Savings Accounts for Dependents** – If your spouse (or eligible dependent) is covered under a high-deductible health plan with a health savings account (HSA), this spouse or dependent may not be covered under the Central PA Teamsters Health and Welfare Plan. If your employer pays on a Component basis, the Employer will not be responsible for contributions for this spouse or dependent.
- 3. Motor Vehicle Accidents** – The Fund will consider payment of medical expenses only after the benefits from the auto insurance carrier have been exhausted. In addition, the Fund will not provide coverage for Short Term Disability Benefits (except for the first 5 days of missed work). Contact your auto insurance carrier to make sure that your policy includes payment for missed work due to injuries sustained in an auto accident.
- 4. Illegal Acts** – The Fund will not pay Benefits if the injury or illness is caused by or results from the patient's commission of or attempt to commit a felony. If the patient is subsequently acquit-

ted or their plea to a lesser crime is accepted, the Fund shall provide reimbursement, consistent with all Plan provisions, on a retroactive basis.

- 5. Change in Family Status** – Please review your beneficiary designation if there is a change in your family status. Please notify the Fund if you get married, divorced, are widowed or have a child. The Fund does not allow divorced spouses to continue to be covered under the member's coverage.
- 6. Moonlighting** – The Fund does not cover participants or eligible dependents for illness or injuries that occur as a result of performing non-covered employment for wage or profit.
- 7. Non-Spouse Dependent Pregnancy** – The Fund will not pay Benefits if the Service is for the pregnancy of an Eligible Dependent Child, except those preventive pre-natal services required by applicable federal law.
- 8. Address Change** – Please remember to contact the Fund office if your address changes.
- 9. Out-of-Country Claims** – Covered only for Bona Fide Medical Emergencies: If you are traveling outside the United States, the Fund will provide Benefits only for bona fide Emergencies for which a Participant or Dependent receives Medically Necessary Services, subject to all Plan provisions. The Fund will not provide any other Benefits for Services received outside the United States of America. Benefits will be provided only upon timely submission of documentation acceptable to the Fund.

**H**ighmark is your current Medical ONLY network. Dental benefits are handled by Delta Dental. Prescription benefits are handled by Global Pharmaceutical Benefits "GPB". "Routine" Vision benefits are handled by Davis Vision; anything medical related goes through Highmark. The Fund allows 2 pairs of glasses or 1 pair of glasses and 1 order of contacts every other year. You must place the order at the same time in order to receive this benefit. Orders placed separately will not be honored by Davis Vision.

For any Physician/Facility billing please compare the amount you owe with your EOB that you would have received from the Fund Office. Any discrepancies please call the Fund Office immediately.

Any form completions can be sent by mail, email [h wfund@centralpateamsters.com](mailto:hwfund@centralpateamsters.com) or fax **610-320-9236**.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of March 17, 2025. Contact your State for more information on eligibility –**

# Know Your Pension Plan

The Pension Fund frequently receives questions on the topics below. Additional information on these and other topics is available by visiting the Pension section of the website. When you are ready to apply for your pension, please refer to the "Important information when retiring" section of the website under Pension for additional information.

## 1. Beneficiary Updates/Change in Marital Status –

Please review your beneficiary designation if you change your marital status. Please notify the Fund if you get married, divorced, or become widowed. If you get divorced, please forward a copy of the divorce decree. You will need to complete a new beneficiary form for your Pension Benefits after your divorce is finalized. If you become widowed, you will need to forward a copy of the death certificate and also complete a new beneficiary form. Downloadable beneficiary forms are available on the Fund's website. You cannot name your pet as a beneficiary.

## 2. Retirement Applications –

Contact the Pension Fund three months prior to your retirement date to begin the application process (6 months if you have time in another Fund and are applying for a reciprocal pension). The Pension Fund offers appointments to assist you with completing your Application for Pension paperwork. Please be sure to review your benefit options on your paperwork so that you are familiar with them prior to your appointment.

## 3. Your Retirement Income Plan (RIP) 1987 balance is updated by the 15<sup>th</sup> of each month and subject to net gains or losses through the last day of the month in which your application is approved

for payment. Balances can be checked on the fund's pension calculator.

**4. Power of Attorney –** If you cannot handle your own affairs, your Power of Attorney must provide the Fund with a copy of the Durable Power of Attorney before any information is provided. The Pension Fund also requires, the Power of Attorney's to contact the Pension Fund Office and provide their mailing address and your physical address. As Power of Attorney, you must sign the Participant's name first and your name as Power of Attorney. For example – John J. Smith, Jane J. Smith, POA.

**5. Pension Checks –** Your checks from the Defined Benefit Plan (or monthly installments from the Retirement Income Plan 1987 if elected) are dated the first of each month. If you elect direct deposit, your check will be deposited on the first business day of the month. For example, if the first of the month falls on Sunday, your check will be deposited on Monday. All new Retirees are required to have their checks directly deposited.

**6. Website –** Please visit the website for Summary Plan Descriptions, Forms and Notices and Important Items to Remember. You can also access the Fund's Pension Calculator to view your pension benefits, including your RIP 1987 account balance, if applicable. The RIP 1987 account balances are updated by the 25<sup>th</sup> of each month.

**7. Signatures on Fund Documents –** Please sign all Fund documents with your legal name, which must match what is on file with the Fund Office. Please be sure to use your full name (no nicknames) and suffix (Jr., Sr., III), if applicable.

**I**f you need help completing your Pension application, you can get help over the phone or by making an appt. Walk ins are not permitted.

If you have an upcoming appointment for assistance with your Pension Application and it requires notarization, please remember to bring a valid (not expired) driver license, Social Security card or a valid (not expired) Passport.
